

AFFORDABLE WEDDINGS AND RECEPTIONS... who we are and what we do!

We are a Taproom and Restaurant providing quality food, service and beverages.

We were in the traditional wedding business under the umbrella business, Panache Catering, Inc, for over 30 years and left it because we eventually were worn out by what it had become. In that time we catered thousands of weddings. The expectations among some groups of wedding families simply became impossible to meet. If you, too, are becoming worn out by what you are finding in the wedding industry you likely have found a great alternative at 2 Penguins.

We still love weddings, we know how to serve them very well and at a fair price, but we are not a typical wedding facility. Check us out if you are looking for something that is a bit less “traditional”.

WHAT WE PROMISE:

We will provide quality food and service (staff is already included in your pricing) based on what you contract for us to provide and the budget that you want to stay within, and we will provide exceptional value.

Our large beer hall and attached patio offer space for groups of 200 guests or more seated at tables, and significantly more for more casual receptions. We offer a variety of menus from very simple to very sophisticated, as well as the option of cash bar, partially or fully hosted bar, and great craft beer, wine and cocktails.

You will be treated with appropriate respect and we will always put forth maximum effort to provide you with the very best event possible.

You will NOT be hit with surprise costs on your wedding day.

WHAT WE CANNOT PROMISE:

We will not fill you with unrealistic or unattainable promises. We all know that we cannot control things like the weather on your event day, or that we will pull a rabbit out of hat when the baker that you selected fails to bring your wedding cake. There are many moving parts to assisting you in designing and planning as wonderful a day as possible, which is not only your goal but is also ours. No one can promise you perfection, but we promise to work exceptionally hard to deliver the best event possible.

IF YOU ARE LOOKING FOR HONESTY, INTEGRITY, QUALITY, AND EXCEPTIONAL VALUE YOU HAVE COME TO THE RIGHT PLACE... IF YOU ARE LOOKING FOR A MAGICIAN YOU HAVE NOT.

For groups reserving private space certain food and beverage minimums may apply and will be quoted based on the event.

Prices are subject to change. Notice will be provided.
